**Panel 2:** Chest-up shot of Jerry, his back against the wall. His head is turned to the side, his eyes are clenched shut, and he clenches his teeth. He holds the side of his head with his hand, as if holding back the anger. He is still covered by the Vampire's shadow.

**Vampire (off-panel):** And now to demonstrate your weakness with one simple bite.

**Jerry (muttering):** I'm sick of... I'm sick of...

**Panel 3:** The

Victim

**Panel 6:** Same shot as previous panel, but the Vampire now looks at his hand, which has started to lose its claws. He now wears a look of concern. His skin is now more flesh-colored instead of the pale white it was, his eyes aren't as red, and his hair is now a little brownish.

**Vampire:** ...hey...what...

**Page 6**

**Panel 1:** Same shot as the previous panel. Now the Vampire looks straight ahead at the viewer, still posed as in the previous panel. He looks worried now. Now he looks completely human: flesh-colored skin, blue eyes, brown hair, and no fangs or claws.

**Vampire:** Uh...

**Panel 2:** Threequarter shot of Jerry, looking at the Vampire with a wicked grin on his face. He is wearing a little black hat with a red band.
